

Financial Agreement

I agree that my child or ward's membership with the Indiana Magic Soccer Club requires that he/she attend practice, competitions, and tournaments regularly, and that he/she is committed to playing the **entire year long** season. I understand that I am responsible for paying his/her season fee in its entirety regardless of the number of practices or competitions in which he/she participates in.

The full amount is due at the time of registrations for each session. I understand that all previous balances must be paid before the registration to a new session will be accepted.

I understand the following rules and regulations: these fees do not include the cost of uniforms, travel expenses, or other extra ordinary costs.

In addition to the season fee, a parent or guardian must volunteer to work 4 hours per child (i.e. 2 children registered in the Magic program would be 8 hours of work, 3 children would be 12 hrs, etc.) at each Best of the Midwest Tournament or other tournaments that Indiana Magic offers volunteer hours. (per tournament – Spring and Fall). Anyone not participating in volunteering duties will be charged an additional fee towards their account with the Indiana Magic.

I further understand that if this account is submitted to collections due to non-payment of any fees, then the cost of collection shall be added to the balance of the account and I will be solely responsible for this fee.
